To help simplify our boarding drop-off process, we have created this handy packing checklist!

Before you begin packing, please <u>ensure you have checked our Lobby hours</u> located on our website under the "Hours & Contact" page. If this is for a Holiday Boarding, please understand that we may have more limited Lobby hours than normal.

BOARDING CHECKLIST

| On drop off day, please make sure you bring: | | | | | | |
|--|---|--|--|--|--|--|
| Boarding Intake Form: | Please ensure this is filled out and with your belongings. We know it can be tedie to fill out every boarding, but this helps ensure that we are able to care for your to your exact specifications! <i>Form attached below.</i> | | | | | |
| Your Pets Food: | Please place all food in a resealable, appropriately sized container. It is recommended that you pre-portion your dogs in meals into separate ziploc bags or tupperware containers. For longer stays, you are welcome to place all food in one large resealable container and we can measure out meals as specified on your Boarding Intake Form. | | | | | |
| Medications: | If your dog needs medications while staying with us, please fill out our Medication sheet below. If you have more than one dog, please use one sheet per dog. If you have more than two medications, please feel free to print more sheets! We cannot administer any injectable medications at this time. Please bring Pill Pockets or Wet Food for med administration. <i>Form attached below.</i> | | | | | |
| Treats: | We do not allow any bones, chews, or rawhides as they can pose a choking hazard. We do allow biscuit-like treats that crumble and are easily chewed. If you have a treat or chew that we deem may be a choking risk, please understand it will be kept with your dog's belongings and not be given. | | | | | |
| Bedding: | You are welcome to bring bedding, but please note that we are not responsible should bedding be torn or soiled. We do our best to clean all bedding before departure, though any bedding that is too large for our washing machine will be returned as is. We do also provide blankets and raised beds should you choose to leave yours at home! If you know your dog is destructive, please let us know beforehand. If we notice your dog chewing or destroying any bedding, it will be removed to prevent possible ingestion. | | | | | |
| Toys: | Please do not bring toys, many toys can pose a choking hazard and will not be given. All dogs receive plenty of fresh air and play time and generally enjoy a good snooze during downtime :) | | | | | |
| General Information: | Please make sure that the Emergency Contact we have on file for you is someone that is in town and can assist with medical transport should it be necessary. This should also be someone that you can trust to make medical decisions should we be unable to reach you in the case of an emergency. | | | | | |
